Members do not need to use the DisclosedRX Member Portal, but members who do login are able to manage their prescription benefits by viewing claims history, checking medication prices, locating nearby pharmacies, and accessing their digital ID card. It also provides tools to request reimbursements and manage mail-order or specialty prescriptions in one place.

Step 1

[Access the DisclosedRX webpage by clicking here](#)

Step 2

Select the "Request a call" button.

Step 3

Complete the submission form to have a representative from DisclosedRx reach out directly for questions or use the contact information to contact member services.
